Death follows all the warriors who take him in...
That child is cursed.
A cursed child.
WHAT ARE Y'ALL BABBLING ABOUT?
IF YOU WEREN'T WOMEN, I WOULD HAVE BEATEN YOU ALL.
Don't dwell on the nonsense.
It's not your fault.

I, Mighty Axe, Vultion, will show you what strength is.

Just like you would expect from the son of Mighty Axe.

Isn't that the magic gemstone of a Giant Scorpion?
No way! He's not even twenty!
Impressive, Shubeon. Even the best warriors have difficulty with these.

Best warrior Elgand,
I want to follow my father's footsteps and take on the duties of a warrior.

Are you sure?

I want to dissuade you from it.
I wonder who told you about the Journey of Life and Death, but it's too dangerous
There have been no warriors who have begun the challenge in the last 20 years
The last person who attempted was my own father.
I want to follow his path.

Vultion did not complete it perfectly
He only finished the first stage out of three.
And you have met the requirement for the first stage with your proof of maturity
Journey of Life and Death Stage 1: kill a magical beast of 1st degree or higher without any help.
Journey of Life and Death Stage 2: survive in the desert for 3 years without any help from the tame.
Journey of Life and Death Stage 3: travel through the field of magical beasts and the unwelcoming forest to reach the Land of the heroes.

You are already stronger than Vultion.

Father used to say,
that he regrets succumbing to fear and giving up at the second stage.
So I want to finish it for him.

The journey is not the only way to prove your strength.
It is fate, not proof.

Fine.
As Pareia's Best Warrior, I grant you permission to begin the Journey of Life and Death

Warrior Shubeon- I will return

Isn't it just right to acknowledge someone when they come?

STORE~

Prove to me that it is "right."

PROVE WHAT?

HOW CAN I PROVE SOMETHING THAT'S ALREADY TRUE?

Stop lecturing me if you can't even prove yourself to be right.

No, just don't acknowledge me next time

According to what you said,

I won't have to do what you say then either, right?

WHAT A JERK.

Why won't you answer hyung-nim's question?
That's why you don't have any friends.
It's not that I don't have any I just don't have a reason to befriend them.
There's definitely a different hunger

You'll be a burden to the tribe if you live like that forever.
I don't think that's something for you to say when you haven't even completed your coming-of-age ceremony

HAHAHA
Ya' got me there.
How can you, a little child, comprehend my ambitious dream?!

That aspiring dream about living well and eating well until death?
It is indeed a dream that cannot be achieved without hardwork.
But I can't give up. After all, I'm a man of Paesa.

You won't get anywhere if you're holed while hoping that!
I can never understand you, hyung-nim.
There were things that you couldn't understand?

He is always busy with work. How would he have the time to care for me?
The fact that, Egeana-nim* let's you run free is the most incomprehensible thing.
* PAGE 208 OH, IN YOU, AEGEAN ALONE, PARENTS TRUST HOWEVER, IS SOME ONE.

Anyway, why did you come?
You know that I don't like having my thoughts interrupted.
To play, of course! What else can it be?

Are we good on food supply?
It's the same as usual.
Our mother definitely pushed herself. This is enough food for three days.
If other people hear of this, they could gossip about what a waste of the slow family is.

But, once you're back, I know you'll take your share of the nuts home, isn't that right?
Of course. You can trust me on that.
OH! I also have these.
CLATTER

Isn't this the magic gemstone of an S grade beast?
And this one. I've seen it somewhere before...
THE MAGIC GEMSTONE OF A SAND DRAGON, AN SSS GRADE BEAST...

There weren't many even in the field of magical beasts
KKUUH
KKUUH
I needed to prepare a lot to kill even one, so I have only three
YOU TRAPPED A SAND DRAGON ON YOUR OWN?
WAIT, YOU WENT INTO THE FIELD OF MAGICAL BEASTS? AND ON YOUR OWN?

It turned out that way
AS THE FUTURE GLOW, YOU ARE BEING RECKLESS.
WHAT IF SOMETHING TRAGIC HAPPENS?
Dear wife, he will grow to be a warrior. no, even now, he is a warrior with his proof of maturity
DO WARRIORS CAN'T HAVE MOTHERS? ANYWAY, AREN'T YOU EVEN WORRIED?
THE FIELD OF MAGICAL BEASTS? A SAND DRAGON?

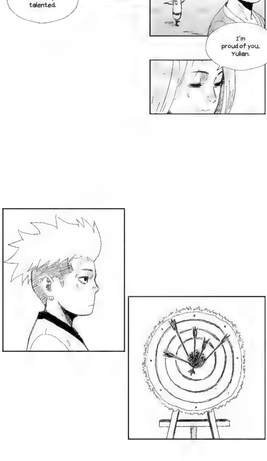
ISN'T HE SAYING THAT HE DEFEATED A MAGICAL BEAST THAT EVEN THE THIRD MOST TALENTED WARRIORS HAVE DIFFICULTY WITH?
Hahhh, I said that his return would be glorious
AND YOU COULD RUN THAT WELCOME TO AN ENEMY
GLARE..

Big sister, how would Pere feel if you say that?
Yuller is not the only one in the Provoke family.
Of course, there is our Orca too.

FEAT. BAGINA'S SECOND SON
HOW COULD YOU SPEAK LIKE THAT?
THAT'S CERTAINLY NOT WHAT I AM SAYING!

That's enough in front of Nirya!
Let's eat.
Nirya, please eat first.
Okay Okay
No, please continue.

THOK



Great job.
That's our young Glow.
You are truly talented.
I'm proud of you, Yulian.

Just the fact that he was born one month earlier...
Doesn't justify that everything is his right.

If Yulian can do it, I can too!!!
Pere!

Yulian
I know you disapprove of me.
But do not defy the hierarchy!

Yulian-nim, why did you come?
It's time for my training.
You are the hero today. You should go and stay at the dinner.
All of the relatives will be waiting to meet you, Yulian-nim.

Ah, I see! Do you not care because you are always at the center of attention?
If you have something to say, say it proudly like a man.
Sarcasm doesn't suit you.

Yulian-nim, your recording true.
I apologize and I will leave early, so I will not make any more mistakes.

Para.

I know why you are grudging
and I know the fact that you do not like me.

So as you say, I am here, at this hour,
so that I can be the center of things, and so that I can be
I am desperate as well

HEY

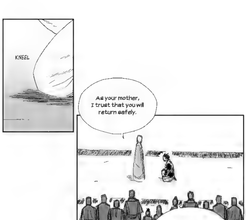
I will participate in the warrior ceremony as well.

SO I can vanquish you!



KNEEL
As your mother, I trust that you will return safely.
You need not worry, mother It will be as you say

Can you promise me?
I promise. I, Yulan Provoke, will return alive.
May Neo Lethe be with you
"I'M MORE A GOLF PLAYER"

Big bro, be careful
May your paths be the same, both away and back.
Hyung-nim, please take care.
I will. Circe, please take care of our mothers while I am gone.

I don't see Pere.
Actually, Pere hyung-nim said he had something important..
WHAT ABSURDITY IS THAT?

THE FAMILY'S OLDEST SON IS LEAVING IN ORDER TO PARTICIPATE IN A CRITICAL CEREMONY.
BRING HIM NOW.

pere, I know that you are jealous of your brother's place.
but that place is not for you! everything you've done you did by your own selfish feelings.
that.

Mother, Pere is a warrior who has proven his maturity just as I have.
He seems to have something important to tend to and I am fine.
It's your warrior ceremony coming-of-age ceremony doesn't even compare to the honor an any family can give a blessings on a departure like this?
Furthermore, as the family of the clans, we must set a good example for all the other families!
If Pere's own mother scolds him,
It will leave a deep gash in Pere's pride.

Nevertheless, what needs to be done needs to be done.
Please know his heart. He thinks of his family more dearly than anyone else.
I know that for sure. He is a warrior whose reputations will ever over the name of the family and the tribe.
Our Once should grow to be like Yullen, magnanimously covering up his younger sibling's mistakes.
You...

Did you ask for me, mother?
I WOULDN'T BE SO WORRIED. IF YOU WORRY JUST WHILE ON DUTY...

What important preparations held you back from coming here?
Today, I will be leaving for the warrior ceremony as well.

!!
PERE! WHAT DO YOU MEAN?

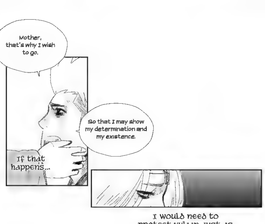
The decision to participate in the warrior ceremony lies on the warrior.
I, Pere Provoke, will to go

Why didn't you say it before?
Even if I said it, you would have forgotten it.

Aren't you concerned about Yulsa-nim only, mother?
PERE!
HOW DISRESPECTFUL! TO YOUR OWN MOTHER! APOLOGIZE NOW AND SEEK FORGIVENESS.

DO YOU SAY THAT BECAUSE YOU ARE TRULY UNAWARE OF YOUR MOTHER'S THOUGHTS?
Your son has committed a crime that he never should have done.
I beg your forgiveness

Why are you doing this?
Don't you know the warrior ceremony better than I do?
My Son, born from my womb.
...but there must be no bloodshed between people.



Mother, that's why I wish to go.
So that I may show my determination and my existence.
If that happens...
I would need to protect Yulsa, just as Yulsa's mother had protected you...

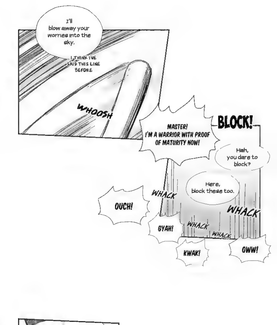
WHAT?
MASTER, YOU'RE GOING TOO?
I'll be like a vacation
I'm not interested in the warrior ceremony or whatever it is.
Well, I'm all for it because it'll be nice and safe with you

Half the participants don't return alive.
DEAD...
but if you go with me, then I won't have to worry about that.
You're worried?
When you're the student of the almighty master?
And who made me waste three whole years of my life?
No, I didn't mean.



The wedding ceremony is held at the island of the heroes, also known as the ritual grounds.
The heroes' island, considered like a holy land.

Or, to those who join the ceremony, causing many deaths.
And the ceremony is the reason for the existence of the village. Every year, a ceremony is held, and every tribe sends their strongest warriors to participate.

They also become a piece, a power, to succeed to the ancestors.
It is rumored that the strongest power is held by the ancestors.

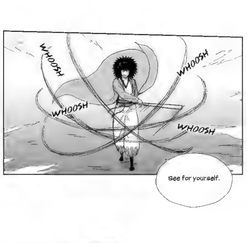
The return of the power is unknown.
Because the ceremony is the only occasion where one can get their power back, they gather.

So, what kind of ritual do you have to complete?
I don't know either. The warrior's oath forbids anyone from saying it.
However, I know that it is very dangerous. As I've told you before, six out of ten warriors do not return.

That was why your mother was so concerned.
It's surprising that she doesn't try to stop you.
Participation in the ceremony is a great honor.
because it's held every three years, and each tribe doesn't send any more than ten warriors.

Then what we should worry about is...
whether you pass EVERY level of the ceremony -although the total number of levels is unknown.

You're not worried about whether you'll live or die, right?
GRAB
WINCE
NO WAY! HOW CAN YOUR STUDENT THINK LIKE THAT?
That's a good mindset.
I'll teach you a secret skill as a reward.
A SECRET SKILL?
WHAT IS IT?



WHOOSH
WHOOSH
WHOOSH
WHOOSH
See for yourself.

SNEAKS AWAY_
Uh, master... but I'm going to leave soon...?
No need to worry. I'll be going with you.
WHOOSH

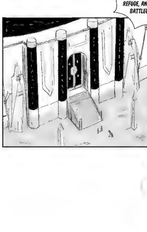
I'll teach you the best I can before we arrive.

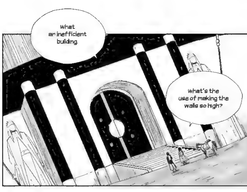
FINALLY!

THE LAND OF THE HORNED, THE WARRIOR'S REFUGE, AND THE LAST BATTLEGROUND.



GATE

There it was! My sight, my dream, my goal! The mark we both had had since birth!



What an inefficient building.

What's the use of making the walls so high?

Noya may not need walls, but they are necessary to normal people.

I knew from the walls that the bastards who live here must be sneaky rats.

My name is Ranois.

I apologize if you felt offended.

Whoever you are, do not spy on me.

No, you won't be able to spy at all

Or you won't see the light of day again.

Master..

I will remember that.

Shit, this is seriously very uneasy.

In comparison, how dare they send a messenger?
And even the messenger hides and spies!
From appearance, I know that there's much misery in Shade business
That's not the only reason, is it?

chapter 27

But it's still bright.
Unless it's made out of shining jade, it couldn't shine like that.
I see
Shining jade. Jade that makes light on its own
But it could be magic.
The Baker tribe manages the warrior Ceremony, after all.
The Baker tribe?

Yeah, they're a small tribe with only around 600 strong.
but they're all skilled magicians
They're also the keepers of every single magic spell of the desert.

So they manage the entire ceremony?
STEP
STEP
Yes. They were in charge of the ceremony since ancient times.
But they could favor a certain tribe, couldn't they?
The Baker tribe has always maintained neutrality between the tribes.
If they were to favor a tribe, the ceremony would've lost its meaning and reputation long ago.
So you don't have to worry about that.

I'm not worried. You're the one that should be worried, anyway.
Even if they were working with some other tribe, you should be prepared for that, being my disciple.
Having me as your teacher is a massive advantage over any other warrior, after all.

Yes, it really isn't fair.
RISE

Apologies for what happened earlier, dear guest.
My name is Weremare, I'm in charge of this temple.
RISE

.....
Name's Cheon Myung Hun
We have an urgent matter to discuss with you.
Could you come with us for a while?

How do you know me?
I haven't left the Paroe land that many times...
It's my job know who the goddess... No, who is, has sent us

Yulan, I'll leave you now
If you dare to disgrace me, you'll die by my hands.
It won't happen.
I'll definitely pay you back for all the times you've hit me
Let's go, then. You seem to know things I want answered.

It's the my pleasure.

WHOOSH
SCRATCH SCRATCH
What's going on..?
Eh, he isn't the type to get hurt. I shouldn't worry about him

I'll be guiding you from now
My name's Lakrhoso. Just call me Lakri.

It's a pleasure to meet you, Yulian.
Same here, Lakri
Well, follow me

Please stand by here

Oh, and fighting with other tribes is not allowed, so take note of that.
Thanks, Lakri.

Huh.
I was going to ask her about when the ceremony would start...

Anyways...

This atmosphere... so cold...

Um... forget what you saw.
DROOL

AH, SHUBEAN!
Oh, the young slave, I see
We meet again, Shubean.

You're quite something, huh. I didn't think you'd come back alive, but didn't even try to stop me?
You want to the Field of Magical Beasts, right?
You didn't think I'd come back alive, but didn't even try to stop me?

You had the eyes of a warrior, after all.
You would've gone even if I stopped you, right?
I guess you're right.
Well, I'm glad to see you here.

YOU'RE ALL HERE, HUH.

The young Glow and Shibeon, right?
Warriors from our tribe?

I'm Hashe Sienukan.
I'm participating in the ceremony this time.
You see, everyone's hanging out by their tribes, eee.
So we need to stick together

Ah, and you know this guy, right?
I'muselikitu. Our tribe's next great magician, right?

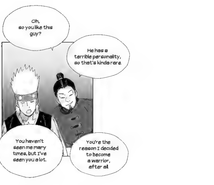
You're right about the name, but I'm not a magician.
I'm participating in the warrior Ceremony, as you can see.
I heard Iseteta talking about a very talented disciple. She'd be disappointed, huh.

Why are you participating, young Glow?

Well, of course, it's because I'll be a Glow.
I need to be strong, so other warriors follow my lead.
No, wrong.
As the next Glow, you need to protect yourself from harm.

And wouldn't the current Glow disagree as well?
He didn't participate in the ceremony, after all.
Father is a man that leads with the
My father and I have different strengths, so it's fine.

That's a good point, I thought you only knew how to take your body
You, too.
I thought you'd be a wimp, since you were a magician, yet you have a nice build.



Oh, so you like this guy?
He has a terrible personality, so that's kinda rare
You haven't seen me many times, but I've seen you a lot.
You're the reason I decided to become a warrior, after all

So you're Shuheen?
Shuheen, the one that will not die. Even if you were pretty excited when you came back from your journey
SUNF
Hehehe, I've heard of you a few times From Egiana.

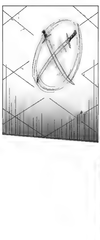
As I just said, the blow of the Perse tribe is not gentle, but cowardly.
and hides from every war and battle.
SLIDE
To insult our blow in front of a Perse warrior...



FALL

STOP

Pick up your weapon.
As a Parsile warrior, I don't want to kill an unarmed opponent.

You bastard. I wasn't ready.
Do you don't even know the basics of fighting?
Fine, you come at me.

FALL
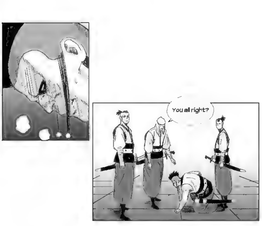
How long does it take for an Abuso warrior to get ready?
Don't you use your swords for survival?



You all right?

BACK OFF.
YOU GUYS FROM THE ABUSO TRIBE, DO YOU INTERFERE IN A FIGHT BETWEEN WARRIORS?
OUR DUEL HADN'T ENDED YET.

Isn't the winner clear already?
That is clear,
but his sin of dishonoring our Glow hasn't disappeared.

One of our warriors has offended you.
I, Aelhota, a warrior from Abuso, apologize on his behalf
Do you think that's enough to repair the broken honor of our Glow?
If you wish for forgiveness, someone worthy of doing so step
Is there someone worthy of it in the Abuso tribe?

Isn't that enough?

You are?
STAND
Slav Veneres, from the Shuuri tribe.

I believe that you've done enough
to teach a lesson to that disrespectful warrior

Shuuri!?
It's none of your business, why do you interfere?

We're brother tribes to the Abuko tribe.
If nobody from the Abuko tribe can make up for the broken honor, I will fight in their stead.

Do you think a mere warrior of the Desert Blades is worth the honor of our Glow?
"A mere warrior of the Desert Blades"?

Did you think a single warrior is enough to make up for the broken honor of Perse's Glow?
Slav Veneres, from the Shuuri tribe, I'll show him

How about we test it out?
If I'm worthy of making up for such honor.
Very good idea.

SLIDE

We don't want to fight either, but those guys keep asking for one.

Did you see that weird guy attack your friend?
I sense Ara's Ki but I don't know that he moved.

You couldn't right?
I do know that he moved.

Just because he moved
Doesn't mean that he hurt your friend

But...
What about you guys?
Did you see him hurt the guy?

Is there anyone here who saw?
There's no one right?
Then why are you going around attacking us?

I saw.
I saw what he did.

chapter 30

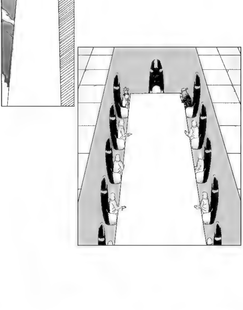
Are you saying you saw that man hurt the other person?
I didn't see the exact moment when he hit him
But it is true that he approached the other guy,
And hurt him.

You may call it being hasty, but although it was the warrior called Doyle who approached first.
It's still a fact that it was a member of my tribe who was involved, so I will also take responsibility.
Are you saying you wish to share the responsibility?
If it's possible then sure.

Then we'll do just that.
But, from now on, the penalty will not only be applied to Yulien but also the rest of the Persea Tribe's warriors.
Is that okay?

It's unhappy but whatever.
So whatever you want

We'll all take responsibility



Then I shall report just that.

I am not saying that it is Jack's fault.
But it's just that there have been too many unprecedented things happening lately
There's a first to everything, after all we must open a path for those who come after us
Are you going to admit these of the empire into the ceremony?
I don't understand why outsiders are participating in the ceremony.
I do not exactly understand their actions
Isn't it fine?
If they are defeated, the tribes of the desert will be unable to do anything again
Then...
Although we need to be neutral, the kingdom of the Empire will not go along with this.
We need to show them how terrifying the desert can be.
How many did you say there were?
3 established in the East continent, 4 in the west continent.
Right now, the numbers in the 7 continents are over a couple hundred.
Wow!! That is quite a lot.
It seems the warrior ceremony this time will be very interesting.
Lakuri-nim
Yes
I feel we should change the first test.
Since we cannot include everyone.
He sleeps like a rock.
I think he'll be someone who's very interesting to be around
What are you thinking about?
Is he someone you know?
He's probably a saint...probably
What's that?
I guess you wouldn't know about it.
This guy is the only apprentice of the crazy haired Igpala.

WHAT! THIS GUY?

Gwang Junsa (Berserker) Igaela.

The one person who could match the strength of Venerais, the god of war
n_n/ venerais is not a real god.
Then suddenly, he disappeared

But one day...
He came back with a young warrior.

And disappeared again.

So you're saying that young warrior is him?
I'm not 100% sure.
But his actions are too similar to that of Igaela

yawwwn~

Everyone's gathered here.

Which family are you from?

I don't know.
My father never told me.

Who's your father?
My father is my father, who else?
I see you're stupid too.

My father told me
Lift
That you're not allowed to be stupid because you're a warrior. So he told me to read.
You guys should read too.
Then you'll become smart like me.
